## Administrator/Principal's Up-Date

### **ACSI Academic Meets: MATH OLYMPICS**

Math is alive and doing well at Gateway CS. Last Saturday, seventeen of our best math students from the third through the eighth grade competed against top math students from a half dozen other ACSI schools. In the face of stiff competition, three of our students received awards. Congratulations to these excellent Gateway math students for our first time at the Math Olympics:

**Chelsea Yost 3rd Place - 8<sup>th</sup> Grade Computation**

**Luke Garcia 5<sup>th</sup> Place - 7<sup>th</sup> Grade Reasoning**

**Mackenzie Keady 4<sup>th</sup> Place - 6<sup>th</sup> Grade Reasoning**

At the third grade level, students took three fourteen-minute tests, and students in the 4th-8th grades took four eleven-minute tests. Our students were selected by their teacher for either the computation or reasoning (story problem) categories according to their math strengths. The other Gateway students who competed are:

**3<sup>rd</sup> Grade: Matthew Stahli, Rachel Wirtz and Olulani Oisaghie**

**4<sup>th</sup> Grade: Hannah Martinez, Laynee Renslow, Dalton DeWitt and Addison Hughes**

**5<sup>th</sup> Grade: Ashley Cannon, Tim Wirtz and Shane Garcia**

**6<sup>th</sup> Grade: Jacob Campbell and Lauren Renslow**

**7<sup>th</sup> Grade: (Luke Garcia as mentioned above)**

**8<sup>th</sup> Grade: Josh Rogers, Kyle Hansen**

And also congratulations to our teachers in preparing and teaching our students: Mrs. Boice, Mrs. Zamora, Mrs. Hughes and Mrs. Wade! Well done students and teachers. Gateway is proud of your accomplishments and participation!
